Invitation for Proposals to Provide Fundraising and Development Services

Town Square Television is seeking a proposal from an independent contractor who is an experienced leader in nonprofit fundraising to join our team as a consultant. The position will work alongside the staff, leadership team, and board of directors, to help us continue our quest for financial sustainability by increasing our earned revenues and reducing our dependence upon declining cable company support. We have succeeded in growing our categories of “earned revenues” (sponsorships, fees for services, and donations) to 16% of our operating revenues with two employees working on these efforts. We are now ready to launch a more focused effort, using a contractor who will assist us with individual giving and memberships. (This position will not be expected to work on our grant writing efforts.)
